COMMUNICATION TO THE EXAMINER

Dear Sir:

A New Declaration is transmitted herewith.

REMARKS

Applicant appreciates the Examiner's advice by telephone that the Office deems the Declaration filed October 24, 2000 to be defective, in that it does not particularly state "at least one error being relied upon as the basis for reissue" as required by 37 C.F.R. §1.175.

It is respectfully submitted that the Declaration filed October 24, 2000 is sufficient under 37 C.F.R. §1.175. It should be noted that 37 C.F.R. §1.175 formerly required a statement in the Declaration "particularly specifying the errors relied upon, and how they arose or occurred." (former version of 37 C.F.R. §1.175(a)(5). However, subsection (5) has been deleted from 37 C.F.R. §1.175(a), and accordingly, there is no current

requirement that the Declaration particularly specify the errors relied upon, and how they arose or occurred.

MPEP §1402 states that "An attorney's failure to appreciate the full scope of the invention was held to be an error correctable through reissue. *In Re Wilder*, 736 F.2d 1516 (Fed. Cir. 1984)." While the Declaration filed October 24, 2000 is adequate under the current version of 37 C.F.R. §1.175, nonetheless, a new Declaration is submitted herewith, wherein it is stated that the attorney who prosecuted the original application failed to appreciate the full scope of the invention. *In Re Wilder*, the applicant set forth the specific errors relied upon and how they arise or occurred. However, *In Re Wilder* construed 37 C.F.R. §1.175 prior to subsection (a)(5) thereof being deleted.

The Examiner also indicated by telephone that the case was in condition for allowance, subject to resolving the issue regarding the Declaration as addressed herein, and subject to Patentee's submission of the original Patent. The original Patent will be transmitted to the Examiner under separate cover.

Respectfully submitted,
